

SUDAN GATORS

PARADE UNIT OF THE PAMLICO COUNTY SHRINE CLUB

The Gators are a relatively new parade unit under the auspices of The Sudan Shriners.

We consist of four carts w/fiberglass, articulating heads. Each cart has a specialty. One sprays two thin streams of water. One blows smoke. One plays "beach" & up-tempo music. And one puts out a ton of bubbles. Our fifth cart, "Gator-Aid", is our retrieval cart, in case one of the carts is disabled. Our latest addition is "Alli", the walking, talking Gator who interacts with the crowd. He jokes, cajoles, and teases with them.

We are a unique and innovative team. We have been a hit everywhere we have participated.
