Men of compassion who portray fellowship, fun and the Masonic principles of brotherly love, relief and truth.

Shriners are known in their communities as men of character and compassion. Shriners International is a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth with nearly 200 temples (chapters) and clubs in several countries, and thousands of clubs around the world. In addition to participating in fun activities, Shriners are committed to helping children.

The receiver, with its four panels engraved with American leafy-vine scroll, has the Shriner shield in 24K gold plating on its right-rear panel, along with a 24K gold-plated banner scroll on the right front panel that contains the words "Fun, Fellowship and Philanthropy."
