## Pay It Forward - Already Paid

A few years ago I had the pleasure of coaching in the degrees two men - a father and son. Interestingly each decided to seek admission and light in masonry independently and without the knowledge of the other. Each had been motivated by a different set of men. Each was surprised to learn of the others' intentions. Later, after the second degree,

the two were sharing coffee early one morning. The older was remarking about the rich heritage, the great symbolism, and goodness he was learning about our institution. The younger agreed saying, "it's like we get to join now and pay it forward." PAY IT FORWARD!

A miserly old man began placing money in pillowcases in his attic. He told his family, "when I die I'll grab it on my way." He was planning for his afterlife of luxury. After his death the family looked in the attic. The money was still there. His wife said, "I told that old fool he should've put the money in the basement."

This is not what I mean by paying it forward. It must be done in sincerity without expectation of return. I refer to the concept of sowing seeds of kindness today and reaping rewards later. This is a concept encapsulating a universal truth. When you do a good deed, it causes another to do the same and then another and so it spreads. Eventually, the kindness returns full circle.

Pay it forward is a trendy concept now also popularized by a movie a few years back by the same name. The movie was based upon a book by Catherine Ryan Hyde, with a simple plot. As part of a social studies assignment, a young boy, suggests that as a way of changing the world one would do a favor for another without being asked, and in return that person would be expected to do a favor for three others and so on. Liberty Mutual Insurance Co. has capitalized on this theme with a commercial that is showing the effects of random acts of kindness spreading and causing others to do the same. The message is that this makes a difference in the world, one act at a time multiplied. Although trendy this is not new to us. As Masons we are taught at every stage to practice the principle of the cabletow.

In past travels, I was told a story by a Past Grand Master and Past Potentate of a Shrine temple from a nearby southern jurisdiction. It is a story which he is all too pleased to tell but can't do so without tears in his eyes. For his service he received a Potentates Jewel. It is indeed among his most prized possessions. He kept it locked in a safe in his place of business. One night he was burglarized and it was stolen along with money and other things. The insurance company tried to pay him for it, but he refused, adamantly stating, "I know I will get it back one day." They thought he was foolish.

Approximately two years later a phone call came and a man said. "I believe I have something that belongs to you." He described the jewel. Immediately the Past Potentate said, "I only have two questions. How much do you want and where or how would you like me to meet you to receive it?" The voice at the other end said simply, "first of all, I'll bring it to you and secondly you don't owe me anything." Soon he arrived at the Past Potentate's house and there he saw the beautiful jewel again. It had been cleaned obviously. With tears in his eyes the Past Potentate said, "You don't know how much this means to me. This is priceless; surely you must allow me to pay you something for it." But the man simply said "I've already been paid." He explained that he had found this under a creek bed where the river's waters had receded while he was fishing with his grandson. He described his efforts in locating it owner. The Past Potentate again insisted that he should be paid. And the man said, "No you don't understand, I have already been paid." Whereupon the stranger pulled from his wallet an old yellowed photo. It showed a young child with dreadfully mangled legs, so much so that he couldn't walk. He was forced to sit in a makeshift homemade wheelchair. The man went on to explain, this was me. Our family had no money for treatment. One day a man came and said that he was a Mason and Shriner and he thought his friends could help me. Although my parents were unable to afford treatment that man and his friends did help me. After treatment I was able to walk, run and play as others. I graduated from school and got a good job at the factory. I met my wonderful wife. Today I have three children and several grandchildren. One of my children is a preacher, one is a respected lawyer and legislator, the other is a surgeon. All of that is possible only because of people like you. So you see, I've already been paid. Nobles, the corollary of "Pay it Forward" is "I've already been paid."

Someone somewhere has received the benefit of what you have done. Some Shrine/Mason has already paid for the benefits we or our families may reap today. There are multiple recipients from gifts paid forward. The recipient receives an immediate benefit when his quality of life is improved and his family and friends receive a delayed benefit. The giver receives the less intrinsic benefits attributable to givers. When witnessed by others this motivates them to act.

In the Great Light 2nd Corinthians, Ch. 9 v. 10 - it is explained. "Your gifts will be multiplied." "He that ministers seed to the sower both ministers bread for your food and multiply your seed sown and increase the fruit of your labor."

Luke the physician and traveling companion of the Apostle Paul, recorded the words of Jesus, "Give and it shall be given unto you, in good measure, pressed down, shaken and running over." Luke 6:38

Thank you, for paying it forward, and making a difference in the lives of many, one life at a time. May God continue to bless your toil.

*Jimmy R. Willett*

## Recorders Message 3<sup>rd</sup> Quarter

Nobles and Ladies,

We are halfway through 2015 and Sudan is as busy as it has ever been. I would like to congratulate the nobles, ladies and citizens of Dunn for a fantastic Spring Ceremonial. Congratulations to Noble Ken Page who was named "Honoree of the 2015 Spring Ceremonial". Well deserved "Toby"!

**Membership is still Sudan's top priority** We only had twelve new nobles, three affiliates and one associate at our May ceremonial. Everyone needs to start work on our One Day Ceremonial starting now for September 12<sup>th</sup>! Nobles Jonathan Johnson, Neal Combs, Brian Honeycutt and Chris East, from our Masonic Relations and Membership Committees are with 12 other Sudan nobles and members of our Divan, working to re-store as many of the suspended nobles as possible from the last two years. They need more dedicated nobles to help!

Sudan will be at the annual North Carolina Grand Lodge Meeting in September with a booth to distribute literature and talk about Shrinedom with our Blue Lodge Masons. All three North Carolina Shrine temples are participating in this project.

Have you been to Blue Lodge in a while? Reconnect with your lodge if you haven't already done so. Remember, that is where we all came from and that is where we are going to find our new candidates. You might want to have a joint family day event or gathering at your shrine club and the lodges in your area. This has proven to have helped with some temples in their membership efforts.

Shriners International is in the process of a complete changeover with our computer program. This is a huge project. The new program called WebFez is consolidating and overhauling over 75 different former programs into one network/program. This includes everything from nobles records, awards, financials, unit and club information. To date, 57 temples have completed the changeover or are making that switch as we speak. Sudan has not been notified of a date of switching over but it will occur soon. Our administrative staff (Sharon, Donna, Sheila) and myself have completed 12 hours of classes on line with Imperial offices concerning this changeover process.

Always good news when we have patient increases at our Greenville SHC. Noble Tim Ludwig, Sudan's Hospital Representative, Board of Governors at our Greenville SHC, has informed me the increase is steady with new patients and surgical procedures and this is keeping the hospital extremely busy. Give Noble Tim a call for a presentation at

your clubs or units. His presentations are outstanding and will get you up to date on the great things happening at our hospitals.

As you will see in this publication, we are going all out in recognizing our nobles for their long hard work in Shrinedom. I have received several positive comments concerning our Divan making their rounds and presenting the 25 & 50 year service awards. These presentations are very much appreciative to not only the nobles but to their ladies and families. True fact – a lot of our 50 year members are the first to show for a project or fundraiser and the last to leave.

We still have 352 NPD's for 2015. This takes away nearly \$20,000 from our budget. Please pay as soon as possible.

Our temple fundraisers are slow right now but I am sure they will pick up. These are the fundraisers that are the backbone to our operational costs at the temple. We have the Potentates Rifle Raffle, the \$10,000 Giveaway with five winners, and the Golf Cart & Trailer raffle. You can't win if you don't have a ticket. Please contact the office for tickets. Selling tickets for these fundraisers are really effective as an extra at your Fraternal or Charitable events or at a local community event.

In closing, I again strongly encourage Blue Lodge participation. Keep our sick and distressed in your prayers. **Remember – WORK MEMBERSHIP!** Have a safe summer, thank you for the work you do for our children and God Bless you all!

Yours in Faith,

George L. Raecher  
Recorder

## 3rd New Unit In A Year Sudan Playboys

On May 14, 2015, the Sudan Shriner's Board of Directors approved the formulation of the third new Sudan unit within a year. Sudan Playboys were established under the leadership of Noble Tony Edwards assisted by Noble (Trustee) Ronnie Blount. The unit membership is scattered throughout a couple counties in Sudan. They proudly marched in their first parade on May 16th in Dunn, clad in their pea-green, pink, red suits with various colored shoes, shirts, ties, and hats. Welcome aboard Playboys!

## Another New Roadrunner Van

South Brunswick Islands Shrine Club presented Illustrious Sir Jerry Tillett with the keys and title to a brand new Roadrunner van. Shrine Club President Gary Hamrick and Noble Donald Stanley made the presentation at the May Ceremonial Saturday night festivities at the Dunn Shrine Club. This will be the fifth new van we have been fortunate to have received in the last three years and there are rumors there may be another one coming soon! The South Brunswick Islands Shrine Club had a very successful golf tournament to raise these funds. It was then wrapped in a beautiful color scheme which is a real eye catcher. Thank you for the great job to all the nobles and ladies and anyone else who contributed to these fundraising efforts.

A Special Invitation for Masons to join the Shrine Fraternity

Nobles Harold Locklear and Danny Walters received their 25 year awards and Noble Hilton Gales received his 50 year Award. Then Photo - May 1924

Our Sudan Wrecking Crew is celebrating their 90th year of existence with an outstanding past and bright foreseeable future. The photo above was taken in 1924 with Illustrious Sir Jake Lassiter seated in the center surrounded by a very energetic bunch of nobles. It has been said they were thinking about how they would welcome the next group of nobles into our fraternity. Probably good thoughts all the way! This black and white photo was donated to Wayne Shrine Club, the original home of the Wrecking Crew, by PP "Bill" William A. Prince on February 7, 1984.

Numbers were written on each of the nobles in the photo as follows: (1) Clark Dirchaw; (2) Unknown; (3) John Maxwell; (4) Woodard; (5) Billy Carr; (6) Unknown; (7) Nick Gwaltney; (8) Unknown; (9) Claude Chamberlain; (10) Wray Holt; (11) Leslie Livingston; (12) M.D. Aycok; (13) Vaughn Woodard; (14) McDewett, and (15) Jarvis Harmwell. I am not sure but the names actually coincide with the photo since this photo was actually believed to be taken in 1924. Photo #9 appears to be Past Potentate Jake Lassiter from Rocky Mount. Another document was located at the temple, revealing 25 names as being charter members. Those names are not listed here.

I have not included all of the comments, but some made at the time when the unit was activated in 1925, were "Sudan gave birth to a new unit known as the Wrecking Crew, it was destined to be regarded by the candidates as possessing horns, and definitely not to be trusted". I cannot even imagine why they developed this image. Noble Claude Chamberlain became their first Director, and from

the moment of its birth, when it took over the second section of initiation, it became an indispensable part of each ceremonial. Since 1925, our Sudan Wrecking Crew has conducted initiation 27,458 nobles thru the second section into the Sudan Temple. If anyone has any other photos of this unit, please consider providing it to the temple for the archives.

Now Photo - Dunn, NC, May 2015

The Sudan Wrecking Crew is well recognized throughout Shriners International. In the past nine years, their performance at the Annual Directors Association meetings conducted around the United States is unsurpassed. They have been awarded six awards in the past nine years to include "The President's Trophy" and "The Stunt Award" trophies being returned to Sudan territory. In 2008, they received the Dave Thomas Award. A rich tradition we all are very proud of. They all work hard, are serious about what they do and dedicated in making our ceremonials memorable to the new candidates.

## Shriners Day – Open House

Sudan nobles and their ladies attended the Shriners Day Open House at the hospital in Greenville, SC on March 13th and 14th. Sudan had a great turnout with over 40 nobles and ladies. This was a first time visit for many of our nobles, and it left an everlasting impression on everyone who attended. The highlight of the trip was the time we got to spend with our children who go to the hospital in Greenville and to hear the stories from the children and parents. Nobles and ladies, that's why we do all our hard work such as the fish fries, raffles and so forth to support our hospitals and children. Thanks to all of you, for what you do.

Cleve Woolard, Sudan Marshal

## Sudan Wrecking Crew Wins Again

Accolades go out again this year to our Sudan Wrecking Crew's performance at the 2015 Shriner Directors Association annual meeting. The meeting this year was held at Alee Temple in Savannah, Georgia. Sudan's Director Bob West single-handedly presented his stunt in the Stunt Competition and was awarded a 2nd Place Finish. In addition to that award, Sudan's Wrecking Crew was presented the "Stunt Competition President's Award" by the 2015 President, Noble Robert Mallett. The photo above shows Noble Bob West with the two awards with Illustrious Sir Jerry Tillett at the Spring Ceremonial in Dunn, NC on May 16, 2015. Again, congratulations go out to Noble Bob West for this outstanding accomplishment.

## Smoke On The River 2015

Nobles Steve Marshburn and Arthur Broome are making the initial plans to conduct "Smoke on the River 2015". The event was very successful in 2014, so we are going again this year. There will be 15 slots available this year versus 10 last year. The event will begin on the night of September 25th on our riverfront property.

A panel of judges will then decide the "Best of the Best" mid-morning on Saturday, September 26. If your unit or club is interested in participating, please contact Sharon at the office and she will provide you with the entry forms. Noble Steve will be handling the food portion of the planning and Noble Arthur with the logistical part in New Bern. Tentatively, there are plans to have three locations to sell the plates on Saturday.

# Hugo's Story

Sudan Shriners has about 561 children in eastern North Carolina under the care of Shriners Hospitals for Children. This care is provided for the children regardless of the parent's ability to pay. The Onslow County Shrine Club has 49 active patients with the Shriners Hospitals for Children (SHC). These patients include a 21 year old young man, burns on his head from hot grease spill in 1995, an 8 year-old girl with severe burn injuries to her leg and foot. Two patients that are treated at the Boston SHC for

large birthmarks, one being treated at the Cincinnati SHC for cleft palate, and Hugo Rubirosa of Jacksonville for a spinal cord injury at the Philadelphia SHC.

Carolyn (Staff Writer) spoke with Hugo after he returned from a field trip to Duplin Winery with his business accounting class at Coastal Carolina Community College. On Jan. 3, 2012, Hugo was a junior at Jacksonville High School with a bright future as a student athlete. He was in advanced placement courses with a GPA above 6.0, and scheduled to graduate from high school and the Geneva (Switzerland) International Baccalaureate program. At a wrestling bout that evening at West Carteret High School, his neck was broken. The other wrestler had him in a headlock when he stumbled and both wrestlers fell on his head shattering two vertebrae and fracturing two more leaving him paralyzed from the neck down.

Hugo, fully aware and not in pain, was taken to Carteret General Hospital and then airlifted to Pitt Memorial Hospital in Greenville where he remained for four months. His body may have been broken but not his spirit. While there, Hugo worked with the Children's Miracle Network Association appearing on TV, radio and the backs of Cheez It and Waffle boxes. Pitt Memorial still calls on Hugo to encourage new patients that may have given up. "It was really cool," Hugo said of the Children's Miracle Network.

Hugo never stopped going to school. He had to drop out of the International Baccalaureate program because the class load was too rigorous but continued with his high school classes and graduated in 2013.

Within sixth months, Hugo had recovered feeling through his hips and all the way to his feet. He could move his arms and control some of his torso. He still cannot walk nor feel temperatures and pain and the area of injury still cause spasms throughout his body. "It is the most annoying thing in the world," he said.

An older man named Fred, 96, often visited Hugo in the hospital at Pitt Memorial. Fred was a former Mason and encouraged Hugo and his family to contact the Shriners Hospitals for Children to see if they could help him, which they did. Meanwhile, Hugo went to the Shepherd Center in Atlanta for eight weeks for spinal cord rehabilitation.

The Shriners Hospitals for Children accepted Hugo as a patient and sent him to the Shriners Hospital for Children in Philadelphia for a month for evaluation. A surgeon there that specializes in hands and arms scheduled Hugo to come back for four months to reroute some of the muscles in his arms and hand. Hugo's bicep was working but not the triceps. The bicep was reconnected and the thumb modified so that Hugo can pinch and pick up things. Only one thumb was reconnected because the other works some.

"I had a cast to my shoulders on both sides," Hugo said. "I had to have people feed me again. It was terrible."

After recovering from the surgery, Hugo said, "The improvements on my arms are amazing. It makes quite a difference. I can get back to weightlifting with my therapist. I am trying to stand up a little."

Hugo has a standing wheelchair to improve his circulation. He continues with physical therapy and has gone twice a month for four months to the Shriners hospital in South Carolina for follow up. Hugo also works with Vocational Rehabilitation in Jacksonville and in New Bern. He is attending college to earn his Associates degree in business and accounting and works at as a tutor.

"You want to make a difference, donate money to these people," Hugo said. "Every dollar counts, every person counts. It is a charity that helps thousands of children each year. It is awesome to see how much it does to help people. It makes people's life better."

Right after Hugo was injured, area schools and businesses rallied around the family holding several fundraisers to defray medical costs both in Jacksonville and Swansboro. "Hope for Hugo" bracelets and T-shirts were sold with Hugo's favorite saying, "Coach, I got this." Papa John's Pizza in Swansboro sponsored a fundraiser.

There were also fundraising runs to purchase a handicap accessible van. National Dodge held a fundraiser at the dealership selling hot dogs, hamburgers and pizza that doubled what was raised. "We had a good ol' time that day," Hugo said. Vocational Rehab and Independent Living helped and after much patience, Hugo got the van and then waited for it to be converted so that he could get in it. His mother drives him but Hugo would like to drive himself so now he is working and waiting on getting the van converted so that he can drive it.

"The support was overwhelming," Hugo said. "I am real thankful for all the help. I thank God and all the people."

## Newest Mobile Fez Members Welcomed

The Pender County Shrine Club is home to the Mobile Fez Unit. At the April meeting, two new members of the Mobile Fez Unit were introduced with the help of Briley Haraldson and Bailey Craver. The two young ladies are cousins and grandchildren of Noble Elton Tucker and Lady Brenda.

Bailey was examined at birth for possible hip dysplasia. After many nights of constant crying and parental concern, Bailey's mother, Elizabeth, determined a second opinion was needed and called Shriners Hospitals for Children in Greenville, South Carolina. The doctor determined that Bailey had been misdiagnosed and the brace she had been placed in was removed. Today, she is a happy, active 5 year old. Due to her being a patient, Bailey, and her cousin, Briley, were asked to come introduce the newest members of The Mobile Fez.

These new members had arrived in large boxes complete with air holes and removal directions. As Noble Julian Anderson read the directions, Bailey and Briley gently removed the members. They had to be very careful not to tug on their ears or to pull on arms. Once introduced, Bailey and Briley were sure to give them a brushing to fluff their fur after the trip from Vermont. They were also greeted with hugs to make them welcome. The two giant Fezzy Bears were placed in rocking chairs for all to 'meet and greet' during the supper and regular meeting. They made their first appearance in the Dunn Ceremonial Parade.

Dear Illustrious Sir Jerry Tillett,

I send this letter with my personal thanks and that of all Masons in North Carolina and the alumni of our cherished Masonic Home for Children regarding your support and participation in our Masonic Homecoming Festival at Oxford for another year. Following a tremendous year of growth in participation and promotion in 2014, we are eagerly looking forward to our 5<sup>th</sup> annual event in 2015 and the celebration of our beloved Home and those who support it, including those from your Temple. Please know all that is given by you and your units and their members in providing the wonderful parade and through your attendance and visible support on this weekend is greatly appreciated. Your Temple's history of assistance for not only our Masonic Children's Home, but for Masonry in general continues to be demonstrated powerfully through the tremendous time, travel, care, and commitment given for this celebration and with each event held across the state throughout the year. Our Home, our alumni, and our fraternity are honored and thankful to have your consideration once again.

I personally and cordially invite you to our Masonic Home for Children in Oxford and ask that you mark your calendar and that of your Temple and its units to participate in our 5<sup>th</sup> Annual Masonic Homecoming Festival, October 9-10, 2015. In addition to your participation, I kindly ask for the aid of the brethren in your Temple in promoting this weekend. Inviting other members, family, and friends through your Temple's newsletter and website and at meetings throughout the rest of the year, including your personal call to your members, will enhance and cultivate an already great day for the Shrine and Masonry - together. In addition to the parade, we have traditional Homecoming events throughout the weekend, starting Friday with our Golf Tournament, open to all including your members. Please encourage those in your temple who claim their BBQ to be the best to join us and enter the 5<sup>th</sup> Annual BBQ Contest for a minimal \$100 fee, which includes their meat. Following your incredible parade on Saturday members and their families can enjoy an "all-you-can-eat" sampling of BBQ, chicken, and ribs from each cook participating for just \$10. After a delicious meal, relax under the Oaks at Oxford and enjoy the beach sounds of *The Embers Featuring Craig Woolard*, performing on the main stage at MHCO. A complete schedule of weekend events is below. Please remember to check often for changes, as the schedule is updated at the Home's website ([www.mhc-oxford.org](http://www.mhc-oxford.org)) or you or your members can call the Home at 919-693-5111/1-888-505-4357.

Fraternally,

Douglas Caudle

From: Johnnie Albritton, Sudan Plaque Sales Chairman

Now in existence for 99 years, Sudan Shriners constantly strive to make our Transportation Program the best for the 562 children in Eastern North Carolina who attend Shriners Hospitals for Children and our hospitals are dedicated to improving the lives of children by providing pediatric specialty care. Did you know that our hospital in Greenville, SC welcomed 2,583 new patients in 2014 and performed 1,247 surgeries?

Sudan Plaque Sales benefit transportation and our hospitals. Maybe you are asking "What can I do"? We need you to sell plaques in your community.

We must increase Plaque Sales this year so we can continue helping children like Victoria.

Please set a goal and commit to plaque sales so together we can make a difference in the lives of these children.

*Victoria, shown here, stopped by our office April 24 2015 on her way to her high school prom, to express her gratitude to Sudan Shriners for the difference we have made in her life. On August 1, 2011, Sudan transported Victoria to Shriners Hospitals for Children in Houston, TX for surgery to insert a metal bar in her chest that she wore for two years. She was also transported back to her home by the Roadrunners. She is only one of the many children who have been helped by our hospitals and received the special Roadrunner care that we give to our precious children. Please help today by volunteering to sell those plaques in your community!*

### THE “RED FEZ” MAGAZINE

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at [www.sudanshriners.com](http://www.sudanshriners.com) in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the “Red Fez”. Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!
