Potentate's Message

Nobles and Ladies,
Sudan Nobles, Ladies, Clubs, and Units have been busy with charitable, fraternal and community activities and events. Your participation is what makes us strong, brings awareness to who Shriners are, what we do and generates conversations about the Shriners Hospitals for Children.

The first ever Sudan Shriners, Smoke on the River, BBQ cook-off, was September 27th on our Neuse River waterfront property and thank you to the Shrine teams that participated. Thank you to Arthur Broome, Steve Marshburn and other volunteers that made this event become a reality. The 1st place team will have a front row table at the Fall Ceremonial, in Smithfield. Though the upcoming Red Fez will be in publication prior to the contest, details of this the event and winners will be posted on our website.

Another pilgrimage to Myrtle Beach to participate in the South Atlantic Shrine Association fall event is in the history books with Sudan once again leading the way as the #1 temple taking home **14 S.A.S.A unit parade trophies**; the Daredevils won a Road Course Competition Trophy and our Dunn Clowns brought home 10 individual / 2 man competition trophies; 1st place S.A.S.C.A. Parade and the President's Choice trophies. Our participation was strong and all Sudan units did an exemplary performance. Also, we were honored to have Noble J. Pat Godwin installed as the President of S.A.S.C.A. and Noble Bud Wooten was honored as he completed his term as Chief of the S.A.S.A Provost Guard. Thank you to Lady Susan, Outer Guard Lou, Lady Pat and Arab Shrine Club volunteers that worked hard at the hospitality room on Saturday; what a way to wrap up a fun filled weekend. Everyone had a great time.

The Grand Lodge Annual Communication was held in Winston-Salem, NC and we extend our sincerest congratulations to Grand Master Dalton Mayo, member of Sudan Shriners, for a successful year. Grand Master, thank you for making time in your busy schedule for the many visits and meetings we enjoyed with you throughout your term in office. Be sure to read our Grand Master's Message "Come Back Where You Belong" as it is a common thread among all of our fraternal bodies. Visit grandlodge-nc.org. Support and be active in your Blue Lodge.

Don't forget the 4th annual Masonic Homecoming Festival in Oxford on October 10 - 12.

Around the corner is our Fall Ceremonial, to be held in Smithfield and hosted by the Johnston County Shrine

Club. It has been affectionately talked up as an opportunity to go "Loco in JoCo". A casual night party and music is planned on Friday night and our friends "Too Much Sylvia" are coming back to entertain us on Saturday. Here comes another great celebration and opportunity to welcome new Shriners into our family. Don't miss it!

Though 2014 is fast coming to a close, plenty of time remains to continue our focus and efforts on membership and revenue generation to stay strong and continue the course we have chosen. Our membership team has been working hard on communications with our new and existing nobles. The benefits of their success are becoming a reality. Let's take advantage of this opportunity for our lodge brethren to join Sudan Shriners and enjoy the fun. We all recall the Masonic saying "To be One ask One" which holds true today and this is easily transitioned to "To Gain One ask One" to join Sudan Shriners. To date, we have added 55 new Nobles and it is hoped to exceed 100. We have only One More Opportunity This Year to make it happen, which is at our Fall Ceremonial on November 14 - 15.

Continued support is requested on the continuing fundraisers come to a close at this ceremonial. The Golf Cart / Trailer and the \$10,000 Cash giveaway prize winners will be announced on Saturday night, November 15th. We have two golf carts staged in Lumberton and New Bern available for fraternal and charitable events as well as fairs, festivals, etc. Please reserve one today. These are Sudan's fraternal fundraisers, which need all of our support to be successful.

Don't forget the Shrine Bowl of the Carolinas to be held on December 20, 2014. If you haven't been, you owe it to yourself to join in, have fun and support our North Carolina players.

Visit sudanshriners.com and see what Sudan has going on. It is a valuable source of information. The hospitality and fellowship extended on my shrine club visits are greatly appreciated and I look forward to future travels and visitations the remainder of the year. Thank you for all of your hard work and dedication to keep Sudan Shriners strong and your commitment and continuing efforts to support and educate others on our Shriners Hospitals for Children.

Last thought; if each club or unit invites 2 or more Brother Masons to join Sudan Shriners in the Fall Ceremonial; think about the impact it will make in their lives and others. Share the fun!

Sincerely and Fraternally Yours,

Rick & Lady Susan

Recorder's Message

Membership needs to be the top priority on the fraternal side of business! It needs to be the first item of New Business at every one of your meetings! That old saying "If it's not broke, don't fix it" well nobles, it is broke. We need to work our Fezzes off and start fixing our membership problems. We had 14 new nobles at the One Day Ceremonial but have lost 62 since our May ceremonial.

Is there anything going on in Sudan? You can guarantee there is with parades, golf tournaments, fish being cooked and special recognition ceremonies going on. There is a whole lot of hard work for the fun in helping our hospitals. We are somewhere entertaining the public with that very familiar saying, "Here come the Shriners, the parade has started." There will be a big story in the next issue of what might be a record fundraiser!

We are getting ready for another ceremonial. The Fall Ceremonial is already upon us with the Johnston County Shrine Club, nobles and ladies working hard to do it right! This is in a really good central location so maybe we can bust out a record attendance and pick up a lot of new nobles.

We unfortunately have had four units fold this year, mainly due to aging of the Nobles. The units were Hillbillies from Fayetteville, the Motor Escort from Fayetteville, the Mini Choppers from Whiteville, and the Mecca Turkeys from Raeford. However, a new unit has been formed, the Sudan Scimitars, which is actually the Divan. The primary goal of this unit is to assist and help in the fundraising activities for Sudan. The first fundraiser, the "52 Week Gun Raffle" has been well received across Sudan. We will be providing some data on those units that have open membership. We want to attract and keep nobles active so we need to let everyone know what's available! For example the Legion of Honor is looking for active or honorably discharged veterans of the Armed Forces, the Flag unit is looking for nobles to carry one of fifty flags available. The Mini Rigs and Monster Trucks have opened their membership to all Sudan paid members.

The 40th Shrine Bowl of the Carolinas is in full swing. I have been to the meetings this year and this group has it together. The 44 players selected will be announced in October. The coaching staff has already been selected and announced. We have two coaches in Sudan jurisdiction, Coach Davenport from Corinth Holder High School in Harnett County and Coach Tom Eanes from R.L.

Patton High School in Wilmington. The North Carolina News Correspondent for "The Goal Post" is also from our jurisdiction. I strongly encourage the local clubs/units to invite and recognize these young men for their accomplishments during your meetings. It is super public relations for the SHC.

We still need some help with sponsor ads for our Red Fez magazine. The more ads the less \$\$\$ out of our budget. I would like to expand the publication again if at all possible adding four more pages. There is plenty of news for those additional pages.

Imperial Session in Minneapolis, Minnesota, was very interesting. Check the articles in this publication.

Let me not forget our Roadrunner unit. To date they have already made 147 trips with our patients and families. They have traveled to Greenville, SC, Cincinnati, Ohio and Philadelphia. By the end of this year we will have obtained three new Roadrunner vehicles since January 2013.

Congratulations to the parade trophy winners at SASA. Sudan had a great turnout throughout the weekend. Thanks to all.

Before I close, remember to say thank you to the ladies at our office when you call. They do a fantastic job everyday and are extremely dedicated. As always, let us remember the sick and those in need of prayer.

Fraternally,

25 YEAR PHOTO (Right Photo): Nobles Stacey Pugh, Christopher Burti, Randy Hobbs, Bobby Manning, and Robert Brock

August 21, 2014 was a great night at the Pitt County Shrine Club. Noble Stacey Pugh, High Priest & Prophet, and Noble Robert Brock, Sudan Trustee, had the pleasure of presenting the 25 and 50 year Shriners International Service Awards to five nobles from the club. That certainly is a lot of years of dedicated service to this fraternity and to the Shriners Hospitals for Children. Congratulations and thank you.

Major Repairs Needed - Sudan Membership

This article has the correct title! As of September 13, we have lost 106 to the Black Camel and have over 300 who are still NPD. Nobles, we can't handle these numbers and survive. Last year, Sudan suspended 171 for NPD's and had a total of 205 losses with an additional 171 deaths.

As I sat through the 2014 Imperial Session in Minneapolis, and listened to the Shriners International Membership presentation, the numbers of losses was actually frightening. There are some of the smaller temples experiencing gains but the larger losing at an alarming rate. I did hear several say, "We need to work on it." But I didn't hear of any secret remedies.

Imperial stats from 2013:

Deaths	10,422	Created	7499
Suspended	11,373	Affiliated	698
Resigned	157	Restored	2631
Demits	2,171		

Everyone in Sudan has to take an interest in recovering some of our suspended members and at the same time get to work in our Blue Lodges for new members. Remember as we do this, we still want to capture "Quality Masons to be Quality Shriners". Noble Harry Costner and his

committee have been working the issue but can't do this by themselves.

The North Carolina Mason's last publication had a really good number of new Blue Lodge Master Masons, many in Sudan territory. We as Shriners, have to be involved in the Blue Lodge if we are to set a good example to our new Masons. If you have any ideas or suggestions as to how we can inspire our Blue Lodge Masons to become Shriners, please share your ideas. We are still one body of brothers!

Filling the Fez was a Huge Success!

The Sudan Chef Crew, under the leadership of Director Arthur Broome conducted a fundraiser for the Shriners Hospitals For Children on August 8 and 15. The event was conducted at two different intersections in New Bern on two successive Fridays with almost twenty Chef Crew Members participating each week. Wearing safety vests, and carrying "fez" buckets, members solicited donations from passers-by in vehicles travelling through the intersections. A special thank-you is extended to the New Bern Police Department for their support and safety for all of the volunteers during the afternoon. The event was held from 3PM until 6PM each week. Under sunny conditions, and the kindness of thousands of individuals from the New Bern area, the Sudan Chef Crew collected over \$6200 which will be totally turned over to support Shriners Hospitals. Assistant Director David Franks was

the keeper of the money (shown in a photo in his armored vehicle). Thanks so much to all of the volunteer members of the unit who participated in this innovative effort to raise funds for the children.

We shared great conversation and Lady Phyllis was present." Noble Carl crossed the Hot Sands on May 21st in 1964.

The Love of a Family

I would like to take this opportunity to thank each and every member of Sudan Shriners and their families for the prayers and condolences in the loss of my Mother – Betty Staitz. There are far too many of you to send cards and hope not to leave anyone out; so I thought this would be the best way to let you know the love all of you sent was felt and the prayers were heard. You will never know the impact these acts of love left on our family. We all know the good works Shrinedom does for children everywhere that might be in medical need of our Hospitals; but the acts of love we show one another is also as wonderful. My Grandfather; who was also a Shriner always said, "We take care of one another." And yes, we do! God Bless Each and Every One of You.

Fraternally,
Susan Jackson

Special Time With A Special Lady

(Left to Right) Sudan's Potentate, Illustrrious Sir Rick Jackson, Megan Johnson and Most Worshipful Dalton W. Mayo, Grand Master of the Grand Lodge of AF & AM of North Carolina

It was a special time at the 2014 Imperial Session in Minneapolis for Sudan's Divan to meet and share a few minutes with patient Megan Johnson, a former Patient Ambassador for Shriners Hospitals for Children. She is one young lady who will brighten your day. As many of you know, Megan has been a patient of our SHC for quite some time. She always has a positive upbeat on herself and life in general. She really works hard on "giving back" to those less fortunate. One of her many projects is making and giving blankets, sock hats, gloves, and socks to people who live on the streets. She has collected and distributed over 3000 videos/DVD's to five area children's hospitals. She has written and illustrated three children's books and raised over \$10,000 for SHC. To find out more on this awesome lady, go to this link: <http://www.megansmission.info/index.html>

Director.

WENDELL, NC: Corinth Holder High School football players and fans gave Coach Barry Honeycutt a standing ovation as he received his SBOC Blazer having been selected as one of the coaches for the 2014 North Carolina Shrine Bowl Team. He is one of the five coaches selected and will be the Offensive Line coach. He is looking forward to the challenge and excitement that goes with coaching a team with this talent. "I am very humbled and honored to have been selected as a coach for the Shrine Bowl of the Carolinas." His wife Joanne Honeycutt smiling and obviously excited said, "I am so proud of my husband. He really loves coaching." The game will be played on December 20, 2014 in Gibbs Stadium, Spartanburg, SC. Go to Shrine Bowl of the Carolinas and learn more about this great event <http://shrine-bowl.com/>. In 2013, the game raised over \$1 million for our Shriners Hospitals for Children.

## 2nd Annual Clay Best Bike Run

The 2nd Annual Clay Best Memorial Bike Run was conducted on July 26, 2014 in Wayne County. Noble Clay Best was killed in a tragic motorcycle accident in Wayne County in July 2012. He was a member of Azan Shriners in Florida. After his retirement he returned to his North Carolina home. His masonic and biker friends have come together again to honor his memory and raise money for Shriners Hospitals for Children. This year's event drew 49 bikers from Wayne, Lenoir and Greene County. The ride and gathering ended with \$1750.00 being raised in Noble Clay's honor and were designated for use at Shriners Hospital for Children - Greenville, SC.

# Shriners Hospital for Children – Greenville

Greetings from your Shriners Hospital for Children in Greenville (SHC-G). This continues to be an exciting time in Greenville for all Nobles, Physicians, Staff, and of course, our children. We're seeing record numbers of patients, experiencing record levels of patient satisfaction, collecting more money from insurance which equates to more financial stability, and most importantly, providing new and improved treatment options for our children.

Perhaps one of the most exciting developments is a new treatment option for children with scoliosis. Scoliosis is a severe curvature of the spine and if left untreated, children with this disease can face a lifetime of pain and deformity. Usual treatment has consisted of casting if the deformity is caught at an early enough age and surgery to implant metal rods when the child is older.

The casting, known as Risser Casting is done under general anesthesia in the operating room. The casts are changed every two to three months, again under general anesthesia in the operating room. This allows the spine to grow while allowing the surgeons to manage the deformity. This option only works for certain patients.

By the time the child reaches age 8-10, spinal surgery is usually performed that requires implanting rods to fuse the spine. This surgery can be lengthy and painful for the child. Once the rods are placed, the child must undergo additional surgeries every four to six months to lengthen the spine until they finish growing. With each of the estimated 10 surgeries, comes more time away from school, more pain, more anxiety, and more risk of complications.

A new "device" was recently approved by the FDA that is a great improvement for scoliosis patients. The new device is the Magnetic Expansion Control, or MAGEC Spinal Bracing and Distraction System. This is a fancy name but an incredibly advanced system that allows doctors to lengthen the spine using two telescoping magnetic rods that are fused into the spine. The beauty of this system is that the rods can be lengthened (usually every two months) by activating a magnet that is implanted under the skin. This is operated from outside the body with no incisions, no anesthesia, no inpatient stay, no recovery, and most importantly, no pain. The

movement is very gradual and the child doesn't feel it at all.

This is such an improvement for the child and their parents. There is a down side, the cost associated with this procedure. The total cost of the surgery using the MAGEC system is over \$50,000 compared to \$15,000 with the more conventional rods. But that's what makes our Hospitals and our Fraternity so great. We'll just have more fish fry's, sell more tickets, or do what we need to do to take care of our children. That's what Shriners have done for Shriners Hospitals for Children since our first hospital opened in 1922.

Respectfully submitted by Noble Tim Ludwig, Board of Governors Shriners Hospital for Children-Greenville.

# 140th Imperial Session of Shriners International

The 140th Imperial Session of Shriners International was held in Minneapolis, Minnesota July 6th through the 10th. I was honored to serve as one of your temple representatives this year along with our Potentate, Illustrious Sir Rick Jackson, Illustrious Sir Olen Smith, PP, Treasurer, Assistant Rabban Cale Grady and our Emeritus Representative Illustrious Sir Albert H. Parker. Others attending from Sudan were Recorder George Raecher. Noble John Collins, Chief Aide, Illustrious Sir Lloyd Tyndall, PP, Emeritus Member of the Colorado Corporation (Shriners Hospitals for Children) and Most Worshipful Dalton W. Mayo, Grand Master of Masons of North Carolina. The Call for the Annual Session was relatively light this year with few controversial items to be voted on.

There were a total of 17 Items for the Iowa Corporation (Shriners International), the "fraternal side". There were five items withdrawn before they were presented. Two other items were presented pertaining to jurisdiction with other temples. Items presented and results were:

1. Would have allowed members of the Colorado Corporation to vote in the election of the Imperial Outer Guard. This item was defeated.

2. Dealt with mileage and per diem of the representatives and was a simple wording change to clarify intent. Item passed.

4, 5 and 6: All dealt with the establishment of procedures in the event temples wanted to voluntarily consolidate, merge or surrender its charter. All three items passed.

7. Pertained to an increase in per capita tax from \$15.00 to \$27.00. This item was defeated.

14. Would have allowed shrine temples, clubs or units to have fundraising events for "Wounded Warriors", after much debate this item was defeated.

17. Dispensation to open a new temple in Brazil and was passed.

18 through 20 were Colorado Items and were dispensed with as follows:

(18) Pay mileage and per diem for hospital chairmen and vice chairmen, who attend the annual meeting of the corporation. This item passed.

(19) Changing the age limit for the office of Board of Trustees for Shriners Hospital for Children. Currently the limit is 72. The amendment would have allowed one who had already been elected to serve up to three consecutive terms even if he reached 72. After written ballot this item failed.

Illustrious Sir Olen Smith, PP was awarded Emeritus Representative of the Colorado Corporation.

This summary report was submitted for our Red Fez quarterly publication by Illustrious Sir Steve Norris.

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at [www.sudanshriners.com](http://www.sudanshriners.com) in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the “Red Fez”. Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.
