Potentate's Message

WOW!! If you missed the Spring Ceremonial, you missed a fun, fun time. Our hats are off to the Pitt County Shrine Club for an outstanding weekend that showcased fellowship, service, and pure Shrine spirit.

Friday evening set the tone with plenty of good food and

lively entertainment. A BIG THANK YOU to the units and clubs that answered the call to cook for our guests; you turned the night into a feast. Music filled the air as Ashley Holland spun records and had the crowd boogying well into the evening, smiles all around.

Saturday morning brought a proud milestone: 27 new nobles joined the Sudan Shriners. We welcomed them with a full day of tradition and camaraderie—beginning with a business meeting, followed by a colorful parade, a shared lunch, and the Potentate's happy hour in Farmville. We capped the weekend with the Rose and Fez presentation and a high-energy dance where the band Better by Tuesday kept the crowd on the dance floor all night long. A fun time was had by all.

Your Divan is hard at work with club visitations for 25- and 50-year service awards. Please come out to support these dedicated nobles—men who have shown their steadfast commitment to Sudan for a quarter and a half century. Your presence matters, and it honors their remarkable service.

As we reach the year's halfway mark, there's still plenty ahead:

- Imperial Session: July 12-16
- Cold Sand Ceremonial: August 29 at the Wilson County Shrine Club

- SASA in Myrtle Beach
- Fall Ceremonial in Clinton, closing out the year with a family-focused celebration and activities

Thank you to every noble, unit, and club that continues to lift our mission and strengthen our brotherhood. I hope each of you has a safe and wonderful summer.

Fraternally,

Jeff Taylor

Recorders Message

Nobles & Ladies,
As always, best wishes to all our Sudan family! Congratulations to our newly elected 27 nobles and their families! Our Spring Ceremonial in Greenville was very well attended. The Pitt County Shrine Club as always, did an awesome job making the weekend a success. If you signed that petition

or know the nobles, please make them aware of what is available for his new masonic adventure in support of our Shriners Children's hospitals.

At our board of directors meeting at the Spring ceremonial, Illustrious Sir announced he had established three new committees: (1) Sudan temple Search Committee with Noble Buddy Gates as Chairman; (2) Social Media Platform Committee with Noble Dean West as Chairman, and (3) Membership Strategic Planning Committee with Noble Larry Barnes as Chairman. These committees are tasked with determining how we can better serve our nobility, keep them involved, informed and interested in remaining an active member. The committees will be providing updates to our nobility as they progress with their individual taskings.

Family priorities are different than in past years. We need to adjust our activities to suit the younger-new Shriners. Do we need to change the number of ceremonials, reduce the number of days, and select locations convenient to those new members overall!

Our Potentate and our Imperial Representatives will be off to Tampa for the Annual Session to be held, July 12-16, 2026. Without a doubt, the agenda will be busy with concerns about our overall Shriners International membership!

A reminder to everyone of the upcoming masonic events. Our Sudan One-Day Ceremonial will be August 29, 2026 at the Wilson County Shrine Club; SASA at Myrtle Beach - Sept 17-20; Oxford Homecoming, Oct 10; and the Fall Ceremonial, a One Day Family Day in

Clinton, NC on Nov 21. Membership is our top issue. Remember, the door is open for blue lodge visitors and these events would be something our prospective candidates might enjoy!

Membership losses are our top concern! Our WebFez MDS statistics show the 27 new nobles and then shows the Black Camel has taken 27! We do have 26 restorations. We need every noble in Sudan to help - membership!

Everyone should have received our annual Sudan \$5,000.00 Fundraising tickets! The winning ticket will be drawn at the Fall Ceremonial in Clinton, NC.

In closing, Lady Jan and I wish everyone a safe and fun-filled summer. Remember to keep those sick, needy and housebound in your thoughts and prayers. The Supreme Architect of the Universe is with us all!

Yours in Faith,

A handwritten signature in cursive script that reads "George L. Raecher".

Potentate Awards for 2025

Everyone is aware of the adverse winter storm conditions that forced Sudan to cancel our annual Winter Ceremonial in New Bern. On April 3, 2026, our 2025 Sudan Potentate, Illustrious Sir E.T. "Tom" Ferrell III attended the Lenoir County Shrine Club monthly meeting. At the conclusion of the 2026 Service Awards presentations, Illustrious Sir Ferrell announced the following 2025 awards and presented them accordingly to the Lenoir Shrine Club recipients. He started the presentations by recognizing the Lenoir Lady Shrinette's and commented on their outstanding work and assistance during the year! Lady Michelle Basden, Shrinette's President, accepted that award.

The following awards were: Potentate's Awards (Plaques): Club of the Year Award-Lenoir County Shrine Club; Sudan Cart Caravan, and Sudan Motor Patrol. Sudan Shriners Floating Awards presented were: Potentate Club Award - Lenoir Shrine Club, and the John Phillips Unit Award - Sudan Motor Patrol.

Service Awards

Wilson County Shrine Club

On April 30, 2026, our Sudan Divan traveled to the Wilson County Shrine Club and presented three nobles with their 25-Year Shriners International Service Awards. A social was held, followed by dinner and the presentations. Outer Guard Dexter Mills read the letters from Shriners International. Our Sudan Potentate, Illustrious Sir Jeffrey Taylor then presented Noble's Gary L. Barden, Robert E. Worton and Logan L. Liles with their Letter of Appreciation and their 25-year certificates. As always, all of Sudan thanks these nobles for their dedication and commitments to our cause!

Robeson County Shrine Club

Robeson County Shrine Club conducted their March 2026 monthly meeting on March 3, 2026 and were honored by the presence of our 2025 Past Potentate, Illustrious Sir E.T. "Tom" Ferrell III who presented the membership with a 2025 Potentate's Award (Plaque). It would have been presented at the January 2026 meeting that was postponed due to the adverse winter weather.

Dunn Shrine Club

On May 18, 2026 the Dunn Shrine Club conducted their monthly meeting. The evening started with a social enjoyed by the 60+ nobles, ladies and guests in attendance. An outstanding covered dish dinner was provided by the Dunn Shrine Club ladies! The Shrine Club President, Noble Cody Dunn opened the meeting and introduced the Service Award recipients, Nobles Paul J. Faircloth, Bryon M. Pope and Ray A. Weeks, and the Sudan Divan officers and their Ladies in attendance. Past Potentate Buddy Brown, from the Dunn Shrine Club then took the honors of conducting the ceremony. Noble Mike Rivenbark, Captain of the Guard and Area Governor, assisted with the program. PP Brown introduced the three recipients, Noble's Paul J Faircloth and Bryon M. Pope for the 25-year awards and Noble Ray A. Weeks for his 50-years of service. He read the congratulatory letters from Sudan and Shriners International after which our Sudan Potentate, Illustrious Sir Taylor presented each with their Service Awards. These three nobles contributed a combined total of 100 years of dedication in support of care for our mission - "Shriners Children's".

Pitt County Shrine Club Service Awards

On May 21, 2026 the Pitt County Shrine Club conducted their monthly meeting and recognized three nobles to receive their 2026 Shriners International Service Awards. A social followed by a great dinner was enjoyed by the 40 nobles, ladies and guests. Our 2017, Sudan Potentate, Illustrious Sir Stacey Pugh welcomed all in attendance. Shrine Club President, Noble Chad Moore opened the meeting and introduced our Divan members in attendance. He turned the program over to Sudan Outer Guard Dexter Mills. Noble Mills called Noble Dennis A. Roberson, Jr. to the podium to receive his 50-year Shriners International Membership Award. He read the congratulatory letter from our Imperial Potentate, Imperial Sir Brad T. Koehn. Our Sudan Potentate, Illustrious Sir Jeffrey Taylor then presented Noble Roberson his certificate and congratulated and thanked him for the many years of dedication and support for the Children! Nobles Floyd T. Brady, Sr. and Harold D. Smith were to received their 25-year Shriners International Membership Awards but were unable to attend and will be presented their awards and certificates at a later date. Illustrious Sir closed out the evening events by announcing the creation of three Strategic Planning Committees. The three are: (1) Membership Strategic Planning Committee with retention of current members and creating more new members, (2) Sudan Shriners Building Search Committee, and (3) a Sudan Media Platform Committee.

Thunderbolt Presentation

Our Sudan Thunderbolts from Duplin County had an absolute blast at the 2026 Spring Ceremonial in Greenville, NC with great fellowship, great laughs, and plenty of Thunderbolt's energy rolling through the parade!

One of the highlights for us when we found out that Most Worshipful Grand Master Steve Norris had joined the Sudan Shriners years ago with the intention of becoming a Sudan Thunderbolt. We wanted to recognize that in a special way. With the help of our Sudan Potentate, Illustrious Sir Jeff Taylor, who graciously allowed us a few moments during the business meeting, before the parade, we were honored to present MWGM Steve Norris with an Honorary membership. He was presented a Thunderbolt shirt, hat and certificate by Duplin County Shrine Club President Ben Burger, and Captain of the Thunderbolts Keith Ayers.

It was a proud moment for our unit and one we won't forget. Masons and Shriners coming together is what it all about!

Shriners Priority – Ben & Others

On April 25th at our Spring Ceremonial, in Farmville, NC our Sudan Mini Rig Parade Unit met Ben and his parents. After a short visit with this “Shriner’s Kid”, Ben, was voted into the membership as an Honorary Member of the Mini Rigs, and presented his baseball cap! This is a story from his parents, Caitlin and Justin and how we changed an entire family’s life!

“On August 17, 2023, during my anatomy ultrasound, we learned that Ben had a right leg anomaly. We were overwhelmed with fear—unsure of what the future would hold or how we would make sure he would receive the care he truly deserved!

Not long after, we met a local Shriner who welcomed us with open arms and guided us to Shriners Children’s in Greenville, SC. Before Ben was born, we met with Dr. Westberry, who reviewed the ultrasound and patiently answered our many questions, bringing us comfort during such an uncertain time.

After Ben was born, he was officially diagnosed with Fibular Hemimelia – a rare congenital condition where part or all of the fibular bone is missing or underdeveloped. Ben’s fibula was significantly shortened, causing his right leg to, be much shorter than his left and preventing his ankle from forming properly.

Following multiple visits to Shriners Children’s for consultations, X-rays, and developing a care plan, we made a difficult but necessary decision to move forward with surgery. At one year old, Ben underwent his first surgery with the amputation of his right leg. We stayed

at Shriners for several days, surrounded with compassionate care and support.

About six weeks later, Ben returned for a second procedure to remove the cast rods and staples. The visit marked the beginning of an exciting new chapter being fitted for his first prosthetic leg.

On April 14, 2025, something incredible happened when Ben stood on two feet for the first time in his life. It was one of the most emotional and joyful moments we had ever experienced. With continued therapy, and hard work at home, Ben reached another milestone and took his first independent steps on July 16, 2025!

Today Ben is full of life, running, playing outside, and can even pedal a bicycle! Watching him is something we once feared would never happen. His journey with Shriners will continue with follow-ups and new prosthetics as he grows!

We can never fully express our gratitude to all Shriners everywhere for supporting the care programs at Shriners Children’s! We are beyond blessed and forever thankful for what Shriners has done for our son and family!”

Elizabeth City Shrine Clubs Awards & Annual Venison Feast

On May 23, 2026, the Elizabeth City Shrine Club President Jon Cooper welcomed over 70 nobles their ladies and friends to the club for the annual Venison Feast celebration and presentation of the 2026 Shriners International 50 and 25-year Membership Service awards. Several nobles from our neighboring Khedive Shriners in Virginia were part of the gathering!

The top photo submitted shows the 50-Year recipients and the second photo submitted is that of the 25-year recipients. The awards were presented by our Sudan Potentate, Illustrious Sir Jeff Taylor. The Sudan Area Governor and Marshal Wiley "Tim" Hinnant assisted with the presentations. Noble's Mike Burnham and Holly Colombo received their 25-year Shriners International Service Award and Noble's Leon Brothers and Jimmy Gard were presented with their 50-year Shriners International Service Award.

The Venison Feast is Elizabeth City's annual recognition dinner for the incoming Potentate's of both Sudan and Khedive Shriners of Chesapeake, Virginia. This year, due to the winter weather issues, the Venison Feast was postponed from February to May. The feast includes deer meat in several different delicacies, bear meat in a variety of offerings, fried chicken, collard greens, black-eyed peas, corn bread and rolls.

A great night of masonic fellowship and sharing was enjoyed by all in attendance.

Motor Patrol & Mini Rigs Need Members

Both units have motorized vehicles available!

The Importance of Positive Communication to Children with Disabilities

The Power of Language

Our word choices have a tremendous impact on those around us. Children, especially, are deeply influenced by the language surrounding them – who they become is based on who they are learning to be. The staff of Shriners Hospitals for Children® understands the importance of building confidence and self-esteem in our patients at an early age. Our staff recognizes that while working with children with disabilities, it is imperative to help them develop a strong positive attitude so they will have the confidence to pursue their dreams. To accomplish this, being mindful of the effect language has on children is critical.

Two essential points in using communication as affirmation are accurate wording and people-first language. Always remember to use language that encourages, rather than discourages, the individual. When referring to those with a disability, please remember to **avoid labels with a negative connotation**, such as:

- crippled
- handicapped
- lame
- deformed

» **The preferred word choice is usually:**

- disability
- disabled
- the actual term involved, such as, cerebral palsy or muscular dystrophy

People with Disabilities are People First

The second key element of communicating with people with disabilities is the need to use “people-first language,” where the person is the important element, rather than the disability.

For example, try using phrases such as “a person *with* cerebral palsy” or “a person *who uses* a prosthetic arm,” rather than defining them by the disability itself.

It is also important to recognize that people are individuals, and to **avoid lumping those with disabilities together into one group**, like “the disabled,” “the spinal cord injured,” or to refer to “all people with X.”

» Another important aspect of using people-first language is to **avoid negative descriptive phrases and terms**, such as:

- confined to a wheelchair
- wheelchair bound
- victim stricken with
- suffering

Instead, try saying a person “uses a wheelchair,” or “has cerebral palsy.”

“We must take language very seriously. The feeling I have is that language is always a reflection of attitude. With the advancement of the disability movement, you see a change in language.” – Michael Masutha

Also avoid **value-laden words and phrases**, whether negative or positive, because even seemingly positive labels such as “courageous” and “inspirational” can be burdensome to a child, setting unnecessary high expectations, that may be hard to maintain.

As part of using people-first language, it is also imperative to not define people by their disabilities. This is accomplished by **emphasizing abilities, not limitations**.

» For instance:

- Say: “Darlene is an excellent writer,” rather than, “Despite her disability, Darlene is an excellent writer.”
- Say, “Johnny is a child with a disability,” instead of the defining, “Johnny is a *disabled child*.”

Being mindful of preferred disability terminology and using people-first language whenever possible will help children with disabilities become more confident and able to become successful, productive adults.

Shriners Children's is a Recognized Leader in Burn Care

Since opening the first Shriners Children's hospitals dedicated to treating children with burn injuries in the mid-1960s, our physicians and care teams have contributed to many of the most significant advancements in acute and reconstructive burn care. They draw on our pioneering work when they treat a child for a burn, which can include acute care, wound care, scar management and reconstructive surgeries.

Shriners Children's treats all levels and types of burns, including scalds, chemical burns, electrical burns and flame burns. We're known around the world for our innovative, caring approach to treating burns in children. Our medical teams are driven to achieve the best outcomes for each patient and to provide:

- The physical and emotional support they need to heal
- A specialized treatment plan that minimizes scarring
- A plan to get them back to their daily life with minimal disruptions

Improving Treatments and Saving Lives

The medical teams at our burns hospitals are renowned for their expertise in critical care, particularly in techniques that may help save the life of a patient with severe burn injuries – such as fluid resuscitation, early excision and skin grafting, management of increased metabolism, medication responses and post-burn care.

Since Shriners Children's entered the burn care field, the survival rate for children with burns over more than 50 percent of their body surface has doubled. In addition, today, patients with burns over 90 percent can survive and go on to lead full, productive lives.

Shriners Children's is a respected leader in the field of burn prevention and treatment. Physicians from all four of our burns hospitals have served as president of the American Burn Association. Our clinicians have published journal articles and book chapters that are widely regarded as primary sources for pediatric burn care treatment.

In order to provide the best, most innovative treatment to patients with burns and burn-related injuries, Shriners Children's is committed to research in burn care. Shriners conducts research studies involving many different aspects of burn injury and treatment.

Shriners Children's shares its expertise in burn care and research through academic affiliations with noteworthy institutions and through different medical outreach programs. Shriners Children's offers residency and fellowship programs, as well as opportunities for graduate students and postdoctoral researchers interested in this field.

Specialized Services

Our highly trained and experienced medical teams provide critical, surgical and rehabilitative care to children with varying degrees of new and healed burns, as well as burn-like conditions that can be treated with the same plastic, laser and reconstructive techniques used for burns. Specialized treatment is available for:

- All levels and types of burn injuries
- Skin grafting
- Healed burns
- Scarring that has caused contractures or limited mobility
- Smoke inhalation
- Facial scarring or deformities
- Congenital hairy nevus
- Port wine stains and hemangiomas

Shriners
Children's™

AN EXCERPT FROM GENERAL ORDER NO. 1:

FUNDRAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 USE OF NAME "SHRINERS HOSPITALS FOR CHILDREN." The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§503.11 COMMERCIAL USE OF NAME

The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fundraising for Fraternal Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any fundraising activity without the express written consent of the potentate of the temple having jurisdiction thereof.
- (b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.
- (c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.11 of the fraternal and charitable bylaws and that there is no representation, expressed or implied, that would lead a reasonably prudent person to believe that the proceeds will be for the benefit of Shriners Hospitals for Children. If the potentate is in doubt, he must receive the opinion of the Imperial Potentate who, after consultation with the Director of Temple Accounting, shall make the final determination.
- (d) The temple potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and additionally, as may be required by the temple bylaws.
- (e) A copy of the temple potentate's written consent shall be mailed to the Executive Vice President, Shriners International. Further, such written material pertaining to the fundraising activity, as requested by the Executive Vice President, Shriners International shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children. Permission therefore must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Chairmen of the Boards of Directors and Trustees. This request for written permission shall be sent to the Executive Vice President, Shriners International, P.O. Box 31356, Tampa, FL 33631-3356. No charitable fundraising activity shall be held in the jurisdiction of another temple without the written permission of the Potentate of that temple.
 - (1) A joint charitable fundraising activity with another 501(c)(3) charity may be authorized provided that a minimum of 50% of the net proceeds are for the benefit of Shriners Hospitals for Children, and the Chairmen of the Boards of Directors and Trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.
 - (2) A charitable fundraising activity conducted by a temple located outside of the U.S.A may be authorized for other charities, provided that the chairmen of the board of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

- (b) 100% of net proceeds (as defined in the Charitable Fundraising-Approval And Reporting provisions of the current General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provisions of the current General Order. Provided, however, if the chairmen of the boards of directors and trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution.
 - (c) The temple shall report the result of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fundraising-Approval And Reporting provision of the current General Order.
 - (d) This section shall not apply to activities exempt under §335.4(b) of the bylaws of Shriners International.
 - (e) Each independent corporation or entity that receives the permission of the chairmen of the boards of directors and trustees to raise moneys for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to §334.6 & §337.8 of the bylaws of Shriners International, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to Shriners International within 120 days of the activity.
3. Statement of Purpose and Disclosure:
- (a) Every fundraising activity must contain factual information on its solicitation material, tickets, programs and documents, including all electronically transmitted materials, regarding the use of the proceeds.
Examples:
"Proceeds are for the benefit of (_____ Shriners) (_____ Shrine Club) activities."
"Proceeds are for the benefit of Shriners Hospitals for Children."
 - (b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on the solicitation material, tickets, programs, documents and electronically transmitted material that "payments are not deductible as charitable contributions."
 - (c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.
4. Compliance with Applicable Laws:
It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fundraising activities.
5. Financial Records:
- (a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.
 - (b) The temple must retain such detailed financial records for a period of seven (7) years.
 - (c) There must be compliance with *Financial Reporting on Charitable Funds and Activities* provision of the current general order.
6. Notification to Nobility:
A copy of the *Fundraising Activities* provisions of the current general order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.
7. Discipline:
Any officer, Noble or temple which violates a provision of *Fundraising Activities* is subject to discipline pursuant to the bylaws of Shriners International.

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.
