President's Message

Greeting Nobles and Ladies,

WOW! Its so true Time Flies when you're having fun. It feels just like it was yesterday that we were working and planning with Illustrious Sir Steve Norris and "Team 2012" to start this journey, and now about 10 years later,

2021 is coming to a close. I can honestly say that the time spent visiting with you and your ladies has been the best part of the journey. Sudan has been and will always be our extended family, Thank you.

We just finished up a very successful Fall Ceremonial in Lumberton - RobCo Style. Friday night was a real treat with our casual gathering of outdoor cooking, music, plenty of fellowship and even some Axe Throwing. The streets of Lumberton were packed Saturday morning for our parade, and yes it was a long parade. Our units really showed up in full force and put on a great show that the Town is still talking about. The weekend was capped off with 29 new Nobles and Ladies at our Rose and Fez presentation and dancing to sounds of the Spare Change band. Thank you to all the Robeson County Shriners and Ladies for your help planning and decorating all weekend, you really made Lumberton shine.

As we adjust to "Shrine Life" after the pandemic and still dealing with Covid, I feel that Sudan is heading in the right direction. Our membership team is focused on the future and committed to developing new ways to attract and keep new Nobles. Our clubs and units are coming back strong and working hard, in November they donated over \$113,000.00 to our hospitals which included TWO new hospital transportation van's. Thank you, Robeson County Shriners and Sudan Hillbillies, our Kids will ride in style. These are just a couple of examples of how we are moving forward and keeping Sudan Shriners the best Shrine Temple in North America.

Looking forward to 2022, I feel confident in your

Divan and their commitment to moving Sudan forward and creating a great future for all our Nobility now and many generations to come. Thank you for all your hard work and dedication this year, you are the best Divan and I have enjoyed working with each and every one of you.

Sheryl, Jace and I have been truly blessed in so many ways over the years. The relationships made with you, our Shrine Family, was truly the best part of the job and we will cherish them forever. I can't thank you enough for the honor you bestowed upon me this year, allowing me to serve as your Potentate in 2021.

Thank you and God Bless!

New Bern Shrine Club

Upcoming Club / Unit Officers, this is for YOU!!

Presidents and Secretaries: Regardless of how many terms you have served, you should make every effort to attend this training session, due to the many operational matters that are occurring.

Recorder Sez

Ladies & Nobles,
Jan and I would like to wish everyone a very Merry Christmas and a prosperous New Year!

Sudan Shriners certainly had a very successful and prosperous 2021! My personal thanks to all who jumped in and lived up to "We Are All One in 21" band wagon to make this year of recovery in all areas

a huge success. We had accolades galore, success stories everywhere we went and everything we did. Fundraising for both fraternal and charitable were great. We have lots of activities in clubs and units restored and being rebuilt after two-years fighting the pandemic.

Congratulations to Illustrious Sir Coble D. Wilson III for his leadership in keeping Sudan ready for the future! The Robeson County Shrine Club's nobles and ladies planned and conducted an outstanding Fall Ceremonial. The Friday and Saturday festivities saw a packed house. We did invite and recognize Nobles and Ladies from past ceremonials, those who due to the Covid restrictions had not been given the opportunity to participate for our traditional Fez & Rose Ceremony. Our Saturday parade saw over three hundred nobles take part in the combination City of Lumberton 2021 Christmas and Fall Ceremonial Parade. Thousands of spectators enjoyed the three-hour parades.

We started out with a record profit in our Candy Sale Fundraiser! We had to cancel our Golf Cart Raffle due to the many restrictions on civic gatherings but turned around and conducted the "Henry Rifle Raffle" making up the difference. We conducted the Annual Sudan Scimitars Gun raffle with another huge profit. There was a first this year in that two individuals won twice during the 30-day period. The winning ticket number was announced daily on our Website and Facebook Page. We established a contract with Craven County Government on the rental of our parking lots bringing additional rental income.

We made Sudan known throughout Shriners International again this year by winning the 1st Place Dromedary Award in Magazine Category for the second time since 2012 and five overall awards during the same

period. I am very proud to bring Sudan this honor.

Please recognize our Office Manager, Sharon Evans and our Facebook manager Alison Blumer for their Dromedary Award for our Facebook Page and Website. These programs are successful because of your contributions and desires to make our Sudan Shriners known for what we do!

Our 2021 Christmas Parade season kicked off with our nobles participating in over eighty-five parades in our Sudan communities.

The membership article by Noble Boyce Lennon speaks for itself when it comes to a dedicated team that is serious about making Sudan's membership flourish! Our team advocated we move around with our One-Day Ceremonial. The One Day Ceremonial conducted this year in South Brunswick Island paid off with nearly every member coming from that area. On the day our Fall Ceremonial started we were notified we had moved to the 3rd Slot for Membership in Shriners International.

Your Divan conducted monthly meetings this year concerning the many issues that needed our attention. A Building Committee composed of Assistant Rabban Lou Smith, 1st Ceremonial Master Jeff Taylor and Captain of the Guard Ronnie Blount and me. The committee has produced through their research and studies an extremely accurate and professional Power Point Presentation on what we, as Sudan Shriners are faced with concerning our facilities for the long-term future. Those efforts and conclusions resulted in the Sudan Resolution that was published in the last 4th Quarter Red Fez. A vote on the resolution by our membership will take place on December 18th at the Lenoir County Shrine Club.

In closing I would ask that you remember our sick and those families who lost family members. Please make every effort to attend other masonic body meetings and functions and thank everyone for living up to our 2021 Sudan Slogan, "We are All One in 21". May the Supreme Architect of the Universe Bless and Keep you safe!

Yours in Faith

Sudan's Positive Future

Nobles, thank you for your hard work in seeking candidates for Sudan Shrine and helping promote our Fall Ceremonial in Lumberton. We had the largest group of newly created Sudan Shriners since our Winter Ceremonial in 2019.

During our 2021 Winter Ceremonial we created only 6 Sudan Shriners. During our Spring Ceremonial we created only 10 Sudan Shriners, followed by 16 for our "Cold Sands" then completing 2021 with 29 Sudan Shriners created during our Fall Ceremonial for a total of 61. It is satisfying to see an upward trend after such a devastating 2020. As you can see from the chart below, our last three years have fallen far below our expectations. However, with this recent upward trend there are positive indicators that strongly support the fact we can overcome that occurrence and focus on our future, achieve our goals, and position ourselves to become "evergreen" in adjusting to a changing environment to promote strength, unity, and growth. After two years of isolation, people are ready to get out and be active. Collectively, yes that means each one of us must be pro-active in being aggressive in promoting our Philanthropy to those who would make a good Master Mason, and those Master Masons that would make a good Sudan Shriner. Here are the numbers.

	Winter	Spring	One-Day	Fall	Total
2009	25	30	62	30	147
2010	55	33	27	19	134
2011	33	34	8	25	100
2012	52	31	20	15	118
2013	45	20	19	17	101
2014	15	26	12	15	68
2015	37	12	25	4	78
2016	48	18	11	22	99
2017	34	11	13	45	103
2018	46	38	7	15	106
2019	37	18	9	12	76
2020	23	0	17	13	53
2021	6	10	16	29	61

Our Masonic Lodges are doing a lot of work that is helping us enrich our pool of possible Sudan Shrine candidates. We must seize the opportunity and take advantage of this fruits of labor. That is just one of the reasons we must continue to promote and participate in our Lodge activities. With all this work in raising new Master Masons, we must be vigilant and positive as we promote Sudan Shriners, who we are, and our mission to help those children in need that are patients at our Shriners Hospitals for Children. The next opportunity to create new Sudan Shriners will be our Winter Ceremonial scheduled for January 21st and 22nd in New Bern. We are anticipating another large group of candidates. We want and need more candidates. If you know of a Master Mason, please encourage him to petition Sudan Shriners and make another positive change in His and his Lady's life. I look forward to seeing you in New Bern.

Fraternally,

Boyce Lennon

Special 2021 Sudan Merit Award

Those attending the Saturday night Fall Ceremonial gathering witnessed the check presentations, introduction of our special patient and her story, and the presentations of several checks donated for our memberships challenging work. Our Potentate then summoned his twelve-year-old son, Jace to the podium. Jace Wilson was two years old when our Potentate was appointed to the Divan line. Illustrious Sir then read and presented Jace a Sudan Merit Award for Jace's 10 years of participation and endurance in his father journey to be the Potentate of Sudan Shriners for 2021. Congratulations Jace for being a real part of your Dad's success!

Seven-Year-Old Conducts Fundraiser

L to R: Potentate Coble D Wilson III, Hayes Williams, and Chief Rabban Cleve Woolard.

On December 1, 2021, our Sudan Divan attended the Lenoir County Shrine Club for Annual Service Awards Presentation and the Installation of their 2022 Officers. The last event for the night occurred when our Potentate, Illustrious Sir Coble D Wilson III announced that the seven-year-old standing next to him wanted to donate \$94.00 to the Shriners Hospitals for Children. Hayes Williams has assisted recently at the monthly club fish fries by helping to clear tables and had received "tips" from the customers. On his own Hayes told his grandparents he wanted to donate the \$94.00 collected to the Shriners Hospitals for Children. Hayes is the grandson of club member Noble Kory Williams. Our little friend Hayes obviously has a big heart and pays close attention to what goes on around him!

TWO Hospital Vans in 2021

The two Roadrunner Vans shown were displayed at our 2021 Fall Ceremonial Parade in Lumberton. It has been several years since we have received two new vehicles in the same year. We have two vans in the inventory that have high mileage so this outstanding accomplishment by our Shriners in Lumberton and South Brunswick Islands / Hillbillies was right on time. The Hillbilly's Van was originally presented at the May Ceremonial in Kinston and the Robeson County Shriners made their presentation at the Saturday Night festivities. The bottom photo shows our Potentate, Illustrious Sir Coble D. Wilson III receiving the check that purchased the van. Great "Extra Effort" by all involved in our continued commitment for our patients and families.

SHRINERS HOSPITALS FOR CHILDREN

Excellence in Pediatric Specialty Care

Since the first Shriners Hospital opened in 1922, the health care system has improved the lives of more than 1.5 million children by providing excellent pediatric specialty care. Today, Shriners Hospitals for Children® is a unique health care system with a reputation for finding answers and giving families hope. At our locations in the U.S., Canada and Mexico, children receive quality care for orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the families' ability to pay or insurance status.

LEADING THE WAY IN ORTHOPEDICS

The first Shriners Hospital was opened primarily to help children who had contracted polio. Now, the majority of our Shriners Hospitals for Children locations are staffed and equipped to handle virtually all pediatric orthopedic problems, including sub-acute trauma.

We provide treatment for clubfoot; Legg-Calvé-Perthes disease and other hip disorders; hand disorders; limb deficiencies and discrepancies; scoliosis (curvature of the spine); osteogenesis imperfecta (brittle bone disease); juvenile idiopathic arthritis; and orthopedic difficulties related to cerebral palsy, spina bifida and other neuromuscular conditions.

Shriners Hospitals for Children offers a range of multidisciplinary services, including physical, occupational and recreational therapies, as well as orthotics and prosthetics. We also provide a wide variety of programs that focus on the overall needs and well-being of each patient.

PIONEERING BURN CARE AND RESEARCH

Shriners Hospitals for Children has been a leader in burn care, research and education since entering the burn care field in the mid-1960s. Thanks to the innovative medical care offered at our locations that provide burn care, every year countless children have a greater chance of surviving all types of burn injuries. Some of the advances made through our research efforts include improved survival rates, creation of pressure garments to minimize scarring, and development of engineered skin and better wound-healing techniques.

Shriners Hospitals provide critical, surgical and rehabilitative care for all degrees of burn injuries. Each state-of-the-art facility offering burn care provides

treatments for acute and sub-acute burns; healed burns; scarring that has caused contractures or limited mobility; smoke inhalation; facial scarring or deformities; and other skin conditions.

DELIVERING EXCELLENCE IN SPINAL CORD INJURY REHABILITATION

Shriners Hospitals for Children was the first health care system in the country to develop spinal cord injury rehabilitation programs specifically for children. We offer innovative therapies, emotional support, and training in independent living skills. In addition, we emphasize exercise and activity-based rehabilitation. These activities increase strength and stamina and enhance social interaction, confidence and independence.

PROVIDING EXPERTISE IN CLEFT LIP AND PALATE CARE

Cleft lip and palate occurs when the tissue that forms the upper lip and roof of the mouth fail to join together before birth.

At Shriners Hospitals for Children, patients with a cleft lip and/or palate are treated by a multidisciplinary team that works to improve the child's appearance and ability to eat, breathe and communicate. Each patient's unique treatment plan may include surgery, orthodontics, and hearing, speech and psychological therapies. Our goal is to help each child achieve optimal function, improve facial appearance to the fullest extent possible and build self-esteem.

To learn how to refer a child, please visit shrinershospitalsforchildren.org or call the patient referral line at 800-237-5055 in the U.S., or 800-361-7256 in Canada.

AN EXCERPT FROM GENERAL ORDER NO. 1:

FUNDRAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 USE OF NAME "SHRINERS HOSPITALS FOR CHILDREN." The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§503.11 COMMERCIAL USE OF NAME

The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fundraising for Fraternal Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any fundraising activity without the express written consent of the potentate of the temple having jurisdiction thereof.
- (b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.
- (c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.11 of the fraternal and charitable bylaws and that there is no representation, expressed or implied, that would lead a reasonably prudent person to believe that the proceeds will be for the benefit of Shriners Hospitals for Children. If the potentate is in doubt, he must receive the opinion of the Imperial Potentate who, after consultation with the Director of Temple Accounting, shall make the final determination.
- (d) The temple potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and additionally, as may be required by the temple bylaws.
- (e) A copy of the temple potentate's written consent shall be mailed to the Executive Vice President, Shriners International. Further, such written material pertaining to the fundraising activity, as requested by the Executive Vice President, Shriners International shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children. Permission therefore must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Chairmen of the Boards of Directors and Trustees. This request for written permission shall be sent to the Executive Vice President, Shriners International, P.O. Box 31356, Tampa, FL 33631-3356. No charitable fundraising activity shall be held in the jurisdiction of another temple without the written permission of the Potentate of that temple.
- (1) A joint charitable fundraising activity with another 501(c)(3) charity may be authorized provided that a minimum of 50% of the net proceeds are for the benefit of Shriners Hospitals for Children, and the Chairmen of the Boards of Directors and Trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.
- (2) A charitable fundraising activity conducted by a temple located outside of the U.S.A may be authorized for other charities, provided that the chairmen of the board of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

- (b) 100% of net proceeds (as defined in the Charitable Fundraising-Approval And Reporting provisions of the current General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provisions of the current General Order. Provided, however, if the chairmen of the boards of directors and trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution.
 - (c) The temple shall report the result of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fundraising-Approval And Reporting provision of the current General Order.
 - (d) This section shall not apply to activities exempt under §335.4(b) of the bylaws of Shriners International.
 - (e) Each independent corporation or entity that receives the permission of the chairmen of the boards of directors and trustees to raise moneys for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to §334.6 & §337.8 of the bylaws of Shriners International, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to Shriners International within 120 days of the activity.
- #### 3. Statement of Purpose and Disclosure:
- (a) Every fundraising activity must contain factual information on its solicitation material, tickets, programs and documents, including all electronically transmitted materials, regarding the use of the proceeds.
Examples:
"Proceeds are for the benefit of (_____ Shriners) (_____ Shrine Club) activities."
"Proceeds are for the benefit of Shriners Hospitals for Children."
 - (b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on the solicitation material, tickets, programs, documents and electronically transmitted material that "payments are not deductible as charitable contributions."
 - (c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.
- #### 4. Compliance with Applicable Laws:
- It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fundraising activities.
- #### 5. Financial Records:
- (a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.
 - (b) The temple must retain such detailed financial records for a period of seven (7) years.
 - (c) There must be compliance with *Financial Reporting on Charitable Funds and Activities* provision of the current general order.
- #### 6. Notification to Nobility:
- A copy of the *Fundraising Activities* provisions of the current general order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.
- #### 7. Discipline:
- Any officer, Noble or temple which violates a provision of *Fundraising Activities* is subject to discipline pursuant to the bylaws of Shriners International.

Website: www.sudanshriners.com

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!
